

Numab Therapeutics AG is an evolving, innovative Swiss biotech company based in Wädenswil. The company is focused on the discovery and development of innovative, antibody fragment-based therapeutics. With our breakthrough antibody-discovery and multi-specific engineering platform, we engage in proprietary projects as well as collaborative research on behalf of partners in the pharmaceutical industry.

We are looking for a highly motivated and passionate

## **Patent Attorney (f/m)**

In this position, you will report to the Chief Business Officer and you will closely work together with research and development and our external patent lawyers.

### **Your Responsibilities**

- Drafting of new patent applications together with Numab's Research & Development department and outside patent lawyers
- Manage prosecution and maintenance of patents and applications together with outside patent lawyers
- Monitoring and analysis of prior art and competitive IP landscape (patentability and FTO analysis)

### **Ideal candidates will have**

- PhD or Master degree in Immunology, Biochemistry or related subject and further education in intellectual property law and practice, preferably registered to practice before EPO or partly qualified
- Several years practice in intellectual property matters, preferably in biotech or pharmaceutical industry
- Experience and talent in scientific writing
- An ability to work under pressure and to stick to hard deadlines
- Motivation to work with and manage inter-disciplinary teams
- Fluency in English as well as strong IT and organizational skills
- Exposure to antibody discovery, engineering or development is a great plus
- Bioinformatics know-how (i.e. protein and DNA sequence analysis) is a plus
- Experience in managing IP-budgets is a plus

Are you looking for an inspiring, entrepreneurial atmosphere and want to be part of a dynamic team where your contributions are both essential and valued? We are looking for skilled people who are eager to make an impact. We are offering a permanent position in an innovative environment as well as a competitive compensation package including a participation in the company.

**We are looking forward to receiving your application with reference number NB039 to [hr@numab.com](mailto:hr@numab.com).**
